I mean, I'm pretty biased as a democrat but I would definitely say republicans are more hypocritical. One obvious example right now is republicans who claim to care about protecting life when it comes to abortion but not when it comes to gun control user2

user2

Definitely

Agree. Another place I find them to be hypocritical is claiming they are small government but actually holding a lot of big-government stances. They're just choosy about what they think should be regulated user2

Gun control would also help save lives. But they are silent on that topic. The only topics they seem to be focused on are forcing women
