user2: The question asks for who is more hypocritical. I am a Democrat so I am biased but I believe Republicans are more hypocritical.

user2: Numerous members of the Grand Ol' Party put out numerous statements that are not only hypocritical but are also untrue.

user2: I agree with you alps.

user1: I agree. There is a tendency for Republicans to want to achieve specific goals aimed at furthering agendas of special interests. They rarely do things to better individuals lives.

user1: Some democrats do as well\

user2: Both parties are guilty of catering to special interests but Republicans more so.

user2: The former president of the United States, Donald Trump, just talked at an NRA rally about equipping more people with guns in school which I think would only further increase dangers in schools. Catering to the party.

user2: Also, when Trump was is power, he catered to oil and coal interests by saying that we would create more coal locations as well as step away from a climate agreement.

user1: most of republicans are incels who hate woman, I'm a guy and I don't understand why they target women so much
