user1: I feel like they're both equally as critical

user1: hypocritical*

user2: I feel it depends on what issue we're referring to

user2: But yeah overall no politician is perfect

user1: A lot of politicians on both sides say one thing when they're running for office, and then totally change it once they're in office. For example, how Obama pandered toward the left and then became more moderate when he was elected

user1: I consider myself a Democrat, but I still can notice flaws in "my party"

user1: You can also see like how anti-death penalty but pro-choice can be considered hypocritical

user1: Also, pro-life but anti welfare

user2: that's a good point. I'm democrat as well

user1: Do you think one side is more hypocritical than the other?

user1: I'm unsure. Like you said, it depends on the issue

user2: I think republicans are but I'm just biased LOL

user1: LOL I feel that
