user1: This is a loaded question, isn't it? Obviously, most people are going to answer this question by saying the party they don't identify with is the most hypocritical. This is true in my case, at least, because a major issue for Republicans seems to be abortion. They claim to be pro-life, but when not discussing abortion they go out of their way to make life as hostile as possible for anyone else.

user1: What do you think?

user2: There is no question that Republicans are more hypocritical than Democrats. Repubs talk about abortion and saving the lives of children, yet they support guns. Theyu have no problem seeing innocent children being slaughtered by guns, but support abortion bans.

user1: Right. I don't even really have a response to that because it's just true.

user2: Repubs are liars

user2: They talk about being the party of law and order, but they break all sorts of laws.

user1: Rules for thee but not for me.

user1: Did you see the Texas governor's response to the Ulvede shooting?

user2: They talk about election fraud and tampering, yet THEY are the ones who are always caught purging voter rolls and comitting election fraud

user1: Are you a robot?

user2: Abbott is a monster

user2: I am a human

user1: Ah, interesting. I think your messages are coming in delayed

user2: Abbott is responsible for the Uvalde shootings

user2: Are YOU a robot?

user1: I agree, but when confronted on that apparently it's offensive. And other Republicans in Texas stepped up to defend him.

user1: I wish I was a robot, then I wouldn't have to realize children will be shot and killed again and again in our country and no one will care.

user2: Of course they did. Honor among thieves

user1: No Republicans anyway*

user2: I hope Beto wins

user1: Same

user2: People should not be roaming the streets with AR-15's

user1: B-b-but Rittenhouse did nothing wrong

user2: Reublicans are evil or insane, or both.

user2: The Buffalo shooter will probably be found not guilty as well.

user1: Of course not.

user2: They have no problems protecting killers like Rittenhouse. It is horrible.
